Another year has gone by in a glimpse, during the past 12 months, Punjabi Cultural & Sports Club has achieved remarkable mile stones in club's history. A lot of effort has been contributed by the club members, their families and sponsors. The Club has overwhelming support of the Punjabi community behind all the successful events. PCSC has supported SAWA in catering for Seniors Trip to Bindoon, organising Vaisakhi games and Dinner Dance. In an effort to keep the kids connected to our cultural background, PCSC has started celebrating Lohri and Teeyan since the last two years. The Lohri dinner dance and Teyaan both have been a major success. The essence of organising such events is to revive our traditions and provide the youngster to learn folk dances (Bhangra & Gidha), while enjoying the rich and colourful aspects of our Virsa. The club has also paved the path for Punjabi Cultural Concerts in Perth as well, firstly by Harbhajan Maan concert, then supporting Bhangraology for Jazzy B concert. We will have more exciting concerts in coming months; don't miss the beat on PCSC news.

ਜਾਦਾਂ ਦੇ ਝਰੋਖੇ In September 2009, the club has organised a dinner dance to revisit the sweet memories of the 70s-80s era, when there were only a few Punjabis in Perth. There will be a power point presentation of photos from that era and videos of cultural performance and achievements of the youngsters of that time. The venue and other details will be finalised shortly. This night is the one not to be missed, so please pencil mark Sunday, the 27<sup>th</sup> September (long weekend) on your diaries.

*The prime objective of the club is to maintain and promote the Punjabi language, kids are encouraged to learn and speak Punjabi. The parents are requested to bring their kids for Bhangra classes, which are conducted in preparation of these cultural functions. The PCSC Bhangra team (Nachda Punjab) has been representing the community for more than 7 years on different multicultural and SAWA platforms. Our club is a stalwart supporter of traditional values and appreciate any step forward to serve the community better. Please keep supporting the club in the forthcoming events and making it stronger.*
